A Few Words

Most of these twins say, everyone gets their names or their faces confused with their twin. Some even say their parents can't tell them apart! But life, to them, is as normal as everyone else's.

They all agree that the best thing about being a twin is always having someone there you can count on.

New Arrivals!

Welcome to Mrs. Pate's new daughters, Asha and Ashley. They were born October 27th, 2004. We are proud to welcome the twins to the Tech family!
